A WORD FROM THE PRESIDENT

Dear Friends and Well Wishers

Here we are at the end of another year, ready to share all that has been happening during the past twelve months in our educational institutions and the Trust.

As you know, we are a not-for-profit Public Trust that has been successfully growing since its inception in 1963. Tehzibul Akhlaq, the name given by Sir Syed Ahmed Khan to his magazine, draws its inspiration from the educational reforms' movement of the Aligarh Muslim University. Graduates of this alma mater who had settled in Lahore after the independence of Pakistan wanted to carry forward Sir Syed's mission for making education accessible to as many people as possible. They, along with local philanthropists and intellectuals who were fired with the same zeal, formed the Tehzibul Akhlaq Trust.

The first educational institution, a school for girls, was started in a hired building in Gulberg in 1965. Next year saw the acquisition of 51 acres of land in Manga, a suburb of Lahore, on Multan Road. Today the Aligarh Public School and College, Gulberg boasts of a custom-built school on Ghalib Road, Gulberg with almost 900 students enrolled in the school and college sections. Aligarh Public School and College, Manga is a beautiful residential institution with almost 1200 students, boys and girls. Sir Syed College of Computer Science (SCOCS) has proudly sent out its first two batches of graduates and is imparting education to 80 students. Sir Syed College of Management Science (SCOMS) is poised for startup in the current academic year.

The construction of the Academic Block at the Manga campus will soon begin In Shaa Allah. The architectural plans etc. are going through the various offices for approval. As soon as the necessary formalities are completed, we plan to hold a ground breaking ceremony.

We are working on the establishment of an Alumni Association and are receiving an enthusiastic response. The first meeting was held on 18th January 2020 which was attended by more than six hundred old students. Those who were present at this occasion have great plans and high dreams for their alma mater.

I would like to thank all our friends, well-wishers and patrons for their interest and generosity towards this noble cause of education.

All this work would not have been possible without the support and cooperation of the Executive Committee members and the Trustees. The Managements of the three educational institutions also deserve an applause for their dedication and hard work. I hope and pray that the coming years will see this Trust prosper, grow and expand its activities.

G.A. Sabri
President TAT

HOW WE WORK

The Tehzibul Akhlaq Trust is a voluntary not for profit organization. We aim to offer high quality education at the lowest fee possible. All our trust members offer their services voluntarily. No facilities of any kind are offered. A small group of full-time employees carries out the day to day work.

In order to be sustainable, the educational institutions charge a moderate fee which covers operating expenditure. Scholarships and concessions are offered generously. A special committee examines applications and awards scholarships on need basis.

The schools are registered with the Board of Intermediate and Secondary Education, Lahore. The medium of instruction is English, and both Science and Arts subjects are offered.

All capital expenditure i.e construction cost is met through donations. The sincerity of purpose, dedication, and trustworthiness of our pioneers has been able to convince philanthropists to donate to our cause and by the grace of Allah, this continues to be the case even today.

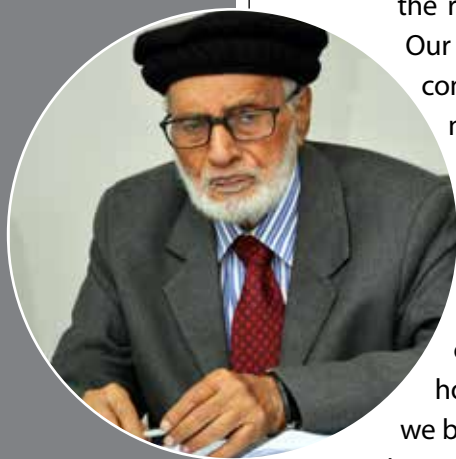

The Tehzibul Akhlaq Trust aims to equip the youth with modern knowledge and instill the values of our religion and culture in them. We inspire to raise good Muslims, patriotic citizens and in the case of non-Muslim students, young people with good moral values.

The schools offer coeducation till primary level, then boys and girls are assigned to different sections so that they can be allowed to grow in environments conducive to their respective natures.

We would like to share an external evaluation with our readers that validates our claim to quality education, transparent finances and sound management. Pakistan Centre for Philanthropy (PCP) Certification is mandatory to qualify for tax exemption. This evaluation is carried out in detail after every three years. Their latest Renewal Report dated March 2020 has given TAT a ranking of 88%. The details are shared herewith:

Evaluation Parameters	Maximum Score	Minimum Required	Score Obtained	%
Legal & Regulatory Compliance	50	25	50	100%
General Public Utility Compliance	75	37.5	45	60%
Institutional Mechanisms of Oversight	200	100	177	89%
Tax Compliance	75	37.5	64	85%
Financial Management	200	100	180	90%
Policies	100	50	80	80%
Program Delivery	300	150	282	94%
Total	1000	500	878	88%

OUR MANAGEMENT

The Trust is deeply grieved to announce that Mr. Wasif Ahmed Siddiqui passed away peacefully on 28th Feb. 20. May Allah SWT grant him Jannatul Firdous.

By the Grace of Allah Almighty the Tehzibul Akhlaq Trust is completing its fifty seventh year. The pioneers who began this venture are all with their Maker now but the sincerity of purpose and the relevance of the aims have attracted others who have gladly moved forward. Our Executive Committee consists of volunteers. Chairmen and Secretaries of all the committees of TAT are professionals who devote their time and resources to the noble cause of education.

The finances are in order as the audited financial report on pages 8-9 shows. We are really indebted to our donors whose generosity helps us expand and grow. Among others this year Mrs Samia Aslam Mughal, spouse of Mr Aslam Mughal, our Vice President, donated a property worth over Rs 12.5 million towards the construction of the Samia Aslam Mughal Block in the Manga Campus which houses the Girls' Section. All donations, however small, contribute to growth and we bow our heads in gratitude to Allah Almighty for the trust that people put in our endeavor.

The educational institutions operating under the Tehzibul Akhlaq Trust charge moderate fee. We offer concessions based on kinship to up to 4 siblings. We also have need based and merit scholarships too. All applications for scholarships go to the relevant committees for a fair assessment. A glance at the School Reports will give the exact number of students enjoying this facility.

In 2003 we had been gifted over 13 kanals of land by Syed Qutubuddin Shah for the purpose of building a school under the nomenclature of Aligarh Public School, Qutub Shah Campus. Unfortunately, due to his sudden death the land could not be transferred on time which has led to litigation on several fronts as false claims started coming forward. As a judgement favorable to TAT seemed to be imminent the land mafia started making frantic efforts to grab the now very precious plot.

We were subjected to such tension, mental torture and physical discomfort, not to mention the indignity, by false FIRS. I really would like to salute Mr G.A.Sabri, the President of TAT, for his tenacity and untiring efforts to retain the land. He was running from thana to thana, from one court to another to deal with the various FIRs and bogus cases registered against the Trust. In one of the FIRs he was even declared as an absconder. He appeared at each and every hearing of the Trial Court. Despite my illness and age I was also present at some of the hearings. The case has now moved to the Lahore High Court where, we hope, a fair and swift judgement will settle this matter.

However, despite these problems the Trust has been functioning smoothly and the educational institutions had a satisfactory year. We thank Allah Almighty for this and pray that this venture grows and is able to reach a larger number of youth desirous to learn.

Wasif Ahmed Siddiqui

MANGA CAMPUS BOARDING FACILITIES

The first building used for boarding of students was established in 1966 with the donation of Rana Abdul Hameed (Raees-e-Azam Sahiwal). This building contains 12 dormitories: half of them are used for lodging Sir Syed House students. The other six are used for lodging Allama Iqbal House students. It has the capacity of boarding 110 students.

Children of the Junior School, Class 1 to V are housed in a separate building with a capacity of 64.

The S.A Mannan Block was constructed in 2014 (Ground Floor). It has 8 dormitories where 8 students can be lodged in each room.

The T.M Sheikh Block was constructed in 2017 as First Floor on S.A Mannan Block. It also contains 8 dormitories with a total boarding capacity of lodging 64 students.

SIR SYED SCHOOL OF COMPUTER SCIENCE (SCOCS)

Group Captain Rtd. Muhammad Ashraf Mughal, the Principal of Sir Syed College of Computer Science was commissioned in the Education Branch of Pakistan Air Force. He has a vast experience of teaching and Educational Management of PAF educational system including Fazaia schools and colleges. He served in the PAF for 31 years in various capacities and joined the Sir Syed College of Computer Science in January 2018.

Sir Syed College of Computer Science (SCOCS) affiliated with the University of Engineering and Technology, Lahore since 2014 offers the four years Honors Degree program. By the Grace of Allah two batches have graduated and the graduates are serving in national and international organizations. The enrolment in the college has increased from 13 to more than 80 at present. SCOCS also provides merit/need base scholarships and interest free loan facility from Meezan Bank through Ihsan Trust, Al Mujtaba Education Trust and Hazrat Khadija Tul Kubra Welfare Foundation to the students. Special emphasis is laid on interaction and internships with the industry.

Achieving our Vision for Education

Our aim is to bring out the best in every child. Academic excellence is of course one of the goals but we aim at well-rounded personalities who, while doing well in studies, are also leaders in their sphere, good human beings and conscientious citizens. To this end we encourage our students to participate in a number of activities that will help them develop other qualities besides excellent results. We encourage every child to participate and help him/her grow into their best.

We endeavor to stay abreast of technological advancement in education. Active Inspire Digital Boards have been installed in the schools to be used as teaching aids by the faculty.

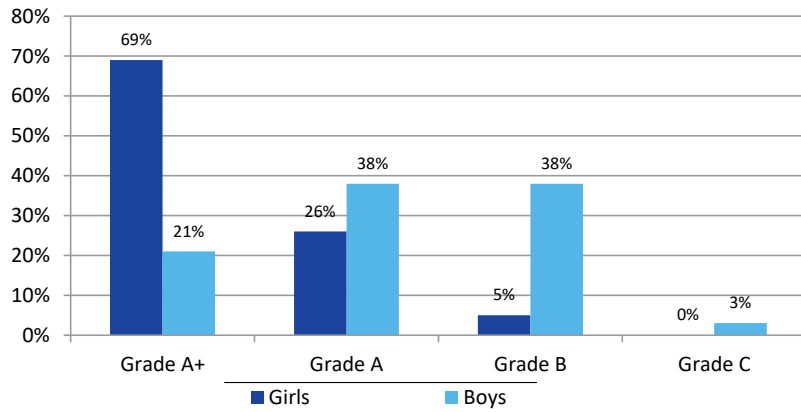

A memorandum of understanding was signed in July 2019 between the Al Mujtaba Educational Trust (AMET) and TAT to facilitate needy and talented Pakistani Youth to pursue their education. As per the MoU, 4 students of SCOCS are already receiving scholarships, while another 2 students of APS Manga (class viii) will be provided scholarship by AMET from this year onwards.

We discourage tuitions and if needed give extra classes and remedials to the students free of cost. The Gulberg Campus also introduced pre-intermediate coaching to students from all schools during the free months before admissions.

Let us give you a brief overview in images of our eventful school year: Our academic performance and some of endeavours to achieve our vision of education that go beyond mere book learning.

DEVELOPING LEADERSHIP QUALITIES

Our schools offer students ample opportunities to develop their potential for leadership. We hold debates regularly, we have declamation contests, elocution and poetry reading: all to foster confidence and public speaking skills. Let us share some important moments when these programs took place.'

Student Activities: Gulberg Campus

Annual English play "Pride and Prejudice"

Annual Urdu play "Taleem e Balighan"

Dramatics at Boys' Wing

Poetry Recitation

Senior School boys conducting School ceremonies

Developing the confidence to speak in public through debates

Student Activities: Manga Campus

Girls presenting tableau on national harmony

Debates at the Manga Campus

Prize winners of the English and Urdu Speech competitions at Manga Campus

BETTER CITIZENSHIP

Our objective is to help our students become patriotic Pakistanis and good citizens. To this end we introduce programs and campaigns that provide them the opportunity to understand the problems in our society and take measures, however small, to alleviate them. We also celebrate national days which become an occasion to reiterate our love for our homeland and its heroes.

Independence Day

Nursery children of Gulberg Campus learn about the Independence Day

Children of Gulberg Campus celebrate the Independence Day

Students sing the national anthem at Manga as the national flag is hoisted during the Independence Day celebrations.

Defence Day

The Gulberg Campus remembers the Defenders of the country through national songs.

The Manga Campus boys are all ears as their Principal, a retired PAF officers inspires with stories of our heroes.

Sir Syed Day

Junior School celebrating Sir Syed Week at Gulberg Campus

The winners of the Inter-Collegiate Bilingual Declaration Contest at Sir Syed Day with the TAT Executive Committee members and Principal Gulberg Campus

Manga Campus celebrated Sir Syed Week with speeches in every regional language, talks to highlight his achievements and contribution to society. The week culminated in a quiz to test the students about what they had been learning during the week

Manga Campus holds a Quiz Competition on Sir Syed Day

Winners

Kashmir Day

A tableau by the Girls' Wing on the atrocities in Kashmir

The Principal Sq Leader(Rtd.) Qazi explains the Kashmir situation and Pakistan's stance over the issue to the students.

The students of Manga Campus show solidarity with the Kashmiris.

Iqbal Day

Iqbal Day was commemorated in both schools with poetry recitations and speeches .

Girls planting a tree at Manga

Environment Club members with the trees they planted at Manga Campus

Clean and Green Pakistan

Our biggest campaign since two years has been Aligarh Goes Green. As the Manga Campus has the space to practice this slogan in full, it has formed an Environment Club whose members and the students, plant trees and help look after them. The visitors at the Campus plant a tree and dedicate it to a loved one after donating Rs one lakh to TAT. The school looks after the sapling. This campaign has also appealed to people interested in sharing in this good deed and more than 1100 saplings have been donated and planted. In March 2019 two big events were held at the Campus which highlighted the importance of trees in human life and our role towards them.

The Gulberg campus also participated in the Clean and Green Pakistan campaign. Here you see the students surrounding their Principal, teachers, Chief Guest and Secretary Education Board while the tree is being planted.

Health Awareness Campaigns

The Gulberg Campus conducted a Dengue awareness Campaign that helped the students understand the disease and its prevention.

Students of Manga Campus in an interactive session with Inspector Maqsood Khan of the Narcotics Force regarding the danger of drugs.

An Exercise in Democracy and Responsible Citizenship

Our aim of bringing out responsible citizens would be incomplete if we did not give our students an opportunity to learn how to elect their representatives. Every year both schools hold elections to elect the Student Council. The elected members are entrusted with responsibilities that help them attain leadership skills.

Gulberg Campus Principal supervising the election process

Teachers counting votes

Manga Campus Boys' Section Council taking oath after being elected.

The Head Boy being awarded the Sash during Assembly.

Guiding: A Movement that Shares our Aims

Guiding provides girls opportunities to learn through fun activities in small groups. Both our campuses' Girls' Sections have active Guide companies. The girls have regular programs at the Campus as well as going for camps outside the cities. They take part in workshops and rallies at the Guide Headquarters in Lahore.

Let us show some scenes from our guide activities:

Girl Guides and Junior Guides of Gulberg Campus attend the Independence Day rally at the Guide House in Lahore

WIDENING HORIZONS

At both Aligarh Public Schools we endeavor to expose our students to learned people and new ideas as well as taking them out for field trips. At the Manga Campus this becomes even more important for the hostel students who are the school's responsibility day and night. Let us give you a brief overview of the activities conducted with this aim in view.

Mr. Aqeel Gill of the Faida Foundation

Career counselling

Mr. Aqeel Gill motivational lecturer of FAIDA Foundation (Foundation of Awareness and Information Development for all) spoke to the children about careers and choice of subjects to Matric and F.Sc students.

F.Sc students got the opportunity to meet with NEC (National Education Consortium) team. The purpose was to guide the students regarding their subject choices and how they can get scholarships to top national and International universities.

Mr Faizan Rasheed Project Manager NEC

Campus Excursions

The students go out for field trips to different places such as the historical monuments of Lahore, parks, industrial sites etc. The Manga campus boys went for trips to Murree and the Galliyat.

We also encourage interaction with other schools through sport competitions, matches, debates etc. The Manga Campus also hosted visit of a group of students from KPK.

Promoting Reading

A view of the Book Fair held at the Manga Campus

Girls visit the Dalda Factory

Manga Girls in Aiwan e Iqbal, Lahore

Senior Boys of Manga Campus visit Murree

The KPK students visiting a classroom and a dormitory.

A HOME AWAY FROM HOME: THE HOSTELS AT MANGA CAMPUS

Aligarh Public School, Manga Campus is home to almost 250 boys of all ages. The hostel admits children from class one onwards. We are proud and honoured to have children from different regions of Pakistan.

These boys are divided into five houses: Quaid- e-Azam House, Allama Iqbal House, Sir Syed House, Muhammed Ali Jauhar House and Liaqat Ali Khan House. Each House has its House Master and Assistant House Master. The students are fully involved in the administration as house Captain and two Prefects. The role of the House Master and Assistant House Master is to provide counselling, monitor studies - especially the weak ones, supervise the boarders' behavior, manners, dressing etc. We lay a great deal of emphasis on cleanliness and good manners. The younger children have female House Master and Assistant House Master. The parents remain abreast of all developments and are closely involved in their children's progress.

The boarders all play games every evening having access to hockey, football, cricket, martial arts and other games. Swimming is an all-time favourite in summer. They also have study time in the evening when teachers take turns to supervise and help them if needed. The boarders are provided regular recreational facilities. Every Saturday they have movie night and they are also taken out for recreational and study tours.

The Recreation room

Mango party at the pool

Great attention is given to the character formation of the children who are considered a sacred trust. Sports, gardening and living together helps forge friendships and develop healthy personality traits. In order to encourage team spirit and peer learning the following trophies are awarded to the House for the overall performance of the boarders:

- Academic Trophy for the overall best school results
- Character Building Trophy for the best-behaved House and one that excelled in co-curricular activities
- Housekeeping Trophy for the House that remained the neatest during the year.
- Sports Trophy to the winner of the matches and sports events.
- Quaid-e-Azam Trophy to the house that excelled in all the areas.
- The trophies are awarded at the annual Parents' Day.

House Keeping Competition

OUR PRIZE WINNERS

All the students at Aligarh Public Schools and colleges deserve full attention and we appreciate any progress made in any field of school life. Students who perform exceptionally well are rewarded with prizes and trophies. Students who received prizes in academics and the house trophies have been mentioned earlier. Let us share the pictures of those who received awards in other fields.

OUR DISTINGUISHED VISITORS

We are honoured to have so many distinguished visitors to our campuses during the year. Members of the Trust visit regularly. Their visits are a source of encouragement to the Management as it brings their hard work to everyone's notice. We are privileged to have distinguished social and political figures as Chief Guests at our ceremonies. Throughout the year we also have the honour to have important visitors who take an interest in our mission, help us and act as our ambassadors to the outer world. We thank them for their interest and for taking time out of their busy schedules to visit us. Let us show some of these personalities:

Mrs Rukhsana Naveed, MNA and Parliamentary Secretary for Climate Change. She is also a member of the TAT Executive Committee.

Mr Nasir Salman, Vice Chairman, Complaint Cell, Chief Minister, Punjab being received at the Annual Prize Distribution

Brig. Tariq Javed, Commandant EME College, NUST and Lt.Col. (Rtd.) S. Zafar Ahmed, CEO Sigma Motors chatting with the boarders at Manga

Dr Moeen Anwar from USA, on the right and Aamir Malik Director McDonalds on the left, at Manga

Lt.Col. (Rtd.) S. Zafar Ahmed, CEO Sigma Motors plants a tree at Manga Campus

Mr Munsif Raza, Mrs Azra Raza, and Mr. Shaghil Hussain plant trees at Manga Campus

OUR GRAND DREAM: THE NEW ALIGARH UNIVERSITY

After the formation of a Board of Advisors last year to determine the further expansion of our quest, significant progress has been made towards the inauguration of the next institute under the TAT. The Sir Syed College of Management Sciences has been granted affiliation from the University of Punjab, Lahore and classes should commence in the fall of 2020.

The hard work and effort from the Tehzibul Akhlaq Trust is materializing, as structural plans for the New University have been submitted and await approval. We aim to begin the construction of the first academic block at Manga very soon. Until the completion of construction at Manga the two colleges will function within the Gulberg campus premises.

We are happy to share that many philanthropists have come forward and pledged their support in the construction of the new academic block for the university. Details are provided on PAGE NUMBER. We invite you to participate in this endeavor and get your name inscribed over the building/room. The proposed cost sharing is as under:

Lecture Theatres	Rs. 10 Million Each
Reading Rooms	Rs. 5 Million Each
Laboratories	Rs. 2.5 Million Each
Conference Rooms	Rs. 2 Million Each
Teaching Rooms	Rs. 1.5 Million Each
Tiles (1x1 ft.) engraved with the donor's name	Rs. 0.5 Million Each

DONATIONS RECEIVED FOR THE UNIVERSITY PROJECT
